

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

January 30, 2002 LB 435

SPEAKER KRISTENSEN: Time. Senator Dierks, your light is on next.

SENATOR DIERKS: I just had my light on to give Senator Chambers a chance to continue his.

SENATOR CHAMBERS: Suppose...oh, Mr. President, members of the Legislature, thank you, Senator Dierks. Suppose I would offer a kill motion and that would lay it over. You may not want to lay it over, but I'm reluctant to let it move. So if we don't find a way to lay it over, I've got to hold us on the bill until we adjourn today, and then there is an opportunity to discuss it and see what they're willing to agree to. Now if they are absolutely unwilling to agree to that, I'm not going to try to kill the bill, but that is something that I believe ought to be considered, what I'm discussing.

SENATOR DIERKS: Well, would you...

SENATOR CHAMBERS: But since it wasn't brought up, then I'm not expecting you to give a definitive answer right this minute.

SENATOR DIERKS: Would you...would you accept the idea of advancing it to Final Reading if I promise you to bring the bill back and talk about it?

SENATOR CHAMBERS: Yes.

SENATOR DIERKS: Okay.

SENATOR CHAMBERS: Yes, with your assurance, then I will not delay it at this point.

SENATOR DIERKS: Okay.

SENATOR CHAMBERS: Thank you.

SENATOR DIERKS: Thank you.

SPEAKER KRISTENSEN: Senator Dierks, there is still about three minutes remaining on your time.
